Co-Chairs Welcome Letter

Dear Friends,

Welcome to Monmouth Park Charity Fund's 20th Annual Kentucky Derby Celebration! From its humble inception in the intimate Garden Room at Monmouth Park Racetrack with 75 attendees, this vibrant event has blossomed into "the party to attend" with sellout crowds under the tent at the Blu Grotto. We continue to work together and achieve great things. As we reflect on our journey of growth and accomplishment, carrying on the mission of our founders and distributing over \$10.7 million in grants since our inception.

With the adept leadership, collaboration and commitment of our board members, Monmouth Park Charity Fund (MPCF) has evolved into a comprehensive source of support for over fifty non-profit agencies and the countless individuals they serve. Last year our signature Kentucky Derby event raised \$325,000 in charitable donations with the generous support of our donors, sponsors and attendees under beautiful sunny skies. Looking out at the spirited festive crowd, one could envision the ambiance of Churchill Downs!

This year we are honored to recognize a distinguished leader in our community. Robert C. Garrett, CEO of Hackensack Meridian *Health* and his team members have made a significant contribution to promoting the health and well-being of those in need. Their leadership and commitment to fostering healthy communities through social and environmental initiatives, aligns with our mission. We are exceptionally grateful for their partnership.

We are also honored to recognize Peter Cancro, our Honorary Chair. Peter's dedication and philanthropy in the community has inspired and supported so many of our constituents. We appreciate all of his support for the Monmouth Park Charity Fund.

DON'T
SHOCK

ME® 

Every day, the lives of women and girls are threatened by Menstrual Toxic Shock Syndrome (mTSS) due to tampon use & lack of education regarding the associated risks, dangers, signs and symptoms of this serious & preventable illness.

Our mission is to make the world safer for all of the women in our lives. Our foundation has been making a difference worldwide from speaking engagements and articles in international publications, to working with legislators to create bills that change women's healthcare. We will not rest until women have been empowered with the necessary, life-saving educational materials to help prevent complications and needless deaths from mTSS.

The Maddy Massabni Foundation for Toxic Shock Awareness was founded in honor of Madalyn "Maddy" Massabni, who died at the age of 19 from mTSS. Her mother, Dawn Massabni, and her brother, George, have made it their mission to increase awareness of mTSS through education and legislative advocacy in order to SAVE LIVES, in turn preventing other families, like yours, from suffering an unimaginable tragedy as they have.

TRADITIONAL LEGACY GRANTS

On November 14, 2024, the Monmouth Park Charity Fund celebrated their Roberta O. Fox 77th Annual Agency Distribution of Funds Tea and provided Traditional Legacy grants to fifty-one of Monmouth County's nonprofit organizations. We were thrilled to be back in full force, coming together in the lovely Turf Club at Monmouth Park Racetrack. It was a beautiful day overlooking the racetrack where we enjoyed delicious food and warm welcomes. Thanks to our wonderful event sponsors Robin and John Klein and NJNG.

The selected organizations were awarded grants for specific programs that provide critical assistance to those at risk and those in need of special services in our community. The ceremony was emotional with representatives from each agency sharing how these funds will impact the lives of people in our community.

Allaire Village, Inc. ([Developmental and Related Disabilities](#)) and Fighting H.A.R.D. Foundation.

Asbury Park Music Foundation ([Music Education for Under-Served Youth](#)) and Boys & Girls Clubs of Monmouth County. **Music Saved My Life summer camps** – This initiative addresses the critical need for providing opportunities and experiences for youth in under-resourced communities. The agencies plan to offer three weeklong camps (two in Asbury Park and one in Red Bank) for Boys & Girls Club students ages 10-13. The goal is to help build brighter futures by inspiring passions and igniting curiosities.

Winners Circle Society

This annual grant opportunity is funded through the collective donations and vision of the MPCF Winners Circle Society members. Inspired by Monmouth Park Charity Fund's 77 year legacy of raising and distributing critically needed funds to local charities, the Winners Circle Society are individuals dedicated to the health and well-being of our community, and to the mission of Monmouth Park Charity Fund. Members, through the collective power of combined donations, influence creative and transformational funding pathways to meet the changing needs of Monmouth County Residents. Together we transform lives.

On August 28th the members of the Winners Circle awarded a \$22,000 grant to Girl Scouts of the Jersey Shore.

The grant will fund the creation of the "New Jersey Women's History Museum and Cultural Center" (NJWHCC) at the Farmingdale campus.

The NJWHCC will serve as a vital hub for women's history, preserving the Girl Scouts of the Jersey Shore archives, offering rotating exhibits, and engaging girls and the community in exploring the contributions of American women to our heritage.

Members make an annual donation of \$500 or more designated to the Winners Circle Society. Donations raised through this Society are split into two revenue streams. Half of the funds raised will go to MPCF sustaining funds and the other half is placed into the WCS Transformational Grant Fund. Members are invited to participate in determining how the grant funds are distributed. To become a member or learn more about the program, please contact Casey Pioli, Director of Operations or email to: monmouthparkcharity@gmail.com
